CHARACTER

STORY

After her father gets remarried, Mao feels like she no longer has a home and moves in with Hiro. Hiro's younger brother Daiki also moved back in, and the three of them were living together, but at the request of her father, Mao moves back home. In addition, Hiro has finally managed to get through to Hina, who was refusing to come home.

Just as Mao and Hiro were about to reveal their feelings for one another, Mao's birth mother returned and asked her, "Do you want to live with me?" Though she struggled with the decision, Mao finally decided to continue to live with her family. Now, she's finally going to be able to meet with Hiro again, but what will happen...?!

It's!

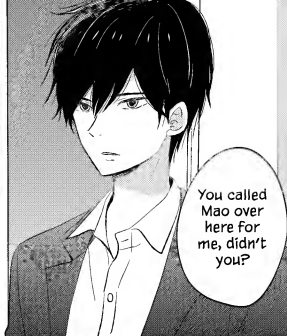

I just asked her to come over because Croquette misses her.

You called Mao over here for me, didn't you?

Well, thanks.

...I see.

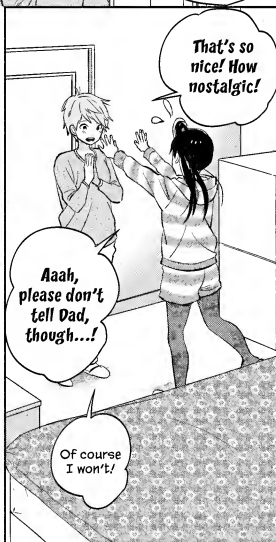

Huh?!

カッ

I'm sorry...
The door
was a bit
open, so I
accidentally
heard you.

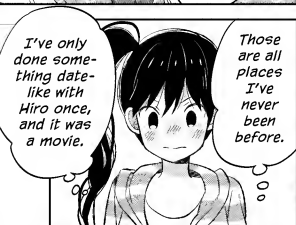

Ooh!

Ferris
wheels
are
pretty,
too.

It's nice
when you
get to
sit side
by side.

I've only
done some-
thing date-
like with
Hiro once,
and it was
a movie.

Those
are all
places
I've
never
been
before.

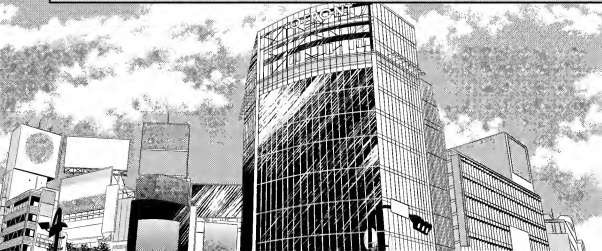

Skating...!
Light
displays...!

Those
sound really
date-like...

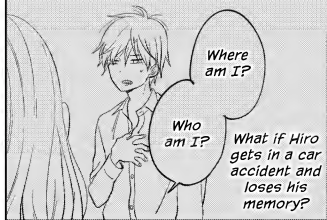

...is an unknown
frontier.

Dating...

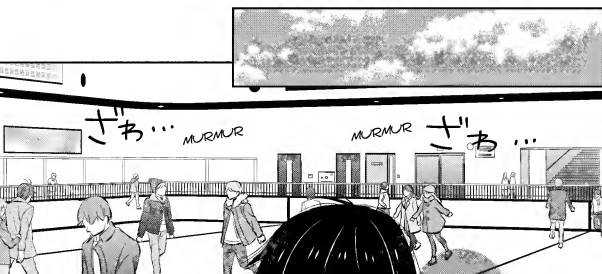

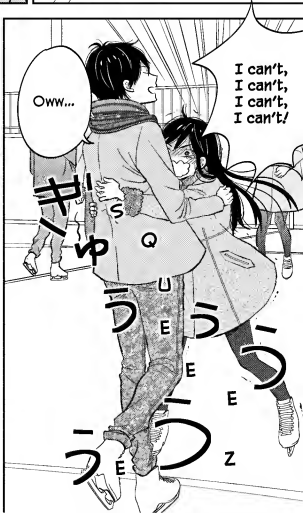

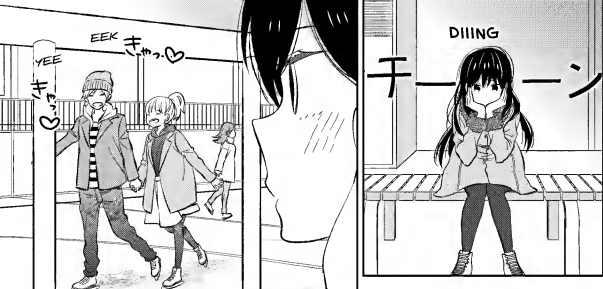

What if some other problem comes up, and our date has to be put on hold again?

How can they possibly have so much fun skating like that?

Lovers in this world are amazing...

Well,
I'm...

Aren't
you having
fun?

...
Really?

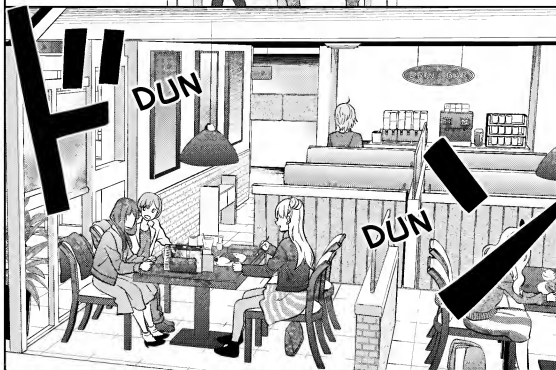

Just
being
with Hiro
is fun,
though...

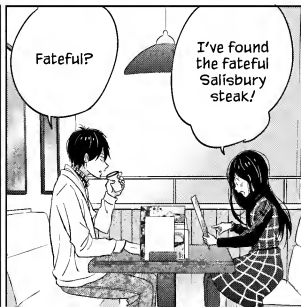

I-I'm
...

You're
hungry,
huh?

Want to
go get
some
dinner?

Wait,
you're
not going
to eat it?

I'm going
to get
the super
special
beef
bowl
set...
...so
you
should
get this
instead.

Yeah.
It was
fateful,
you
know.

I can't
believe you
remember
that.

...what
would have
happened?

...asked me to
come live with him
at that time...

If he
hadn't...

I'll let
you have
a taste
of mine.

I want to
eat beef
bowl, too.

Thank
you Hiro.

Let's
eat.

We might not
be here doing
this together
right now.

"What I really
want is..."

...to ask him
what he was
going to say
back then?

I wonder
if it's okay
for me...

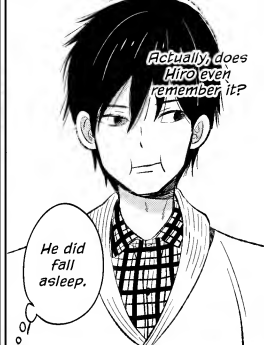

...

My mom recommended we go.

Yep!

We're going to go see the light display when the sun goes down, right?

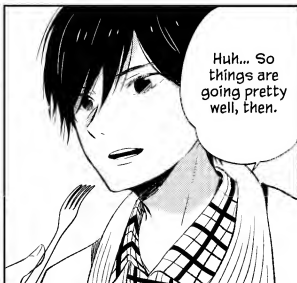

Actually, does Hiro even remember it?

He did fall asleep.

Yeah.

Huh... So things are going pretty well, then.

I was thinking I'd move out on my own when I went on to college...

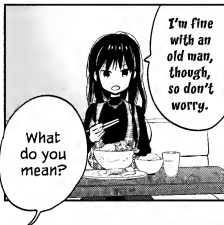

...but now I'm thinking that, depending on which school I end up going to, I might just stay at home.

Yeah.

Sure,
you've
only just
started
things with
your family,
after all.

What
do you
mean?

I'm fine
with an
old man,
though,
so don't
worry.

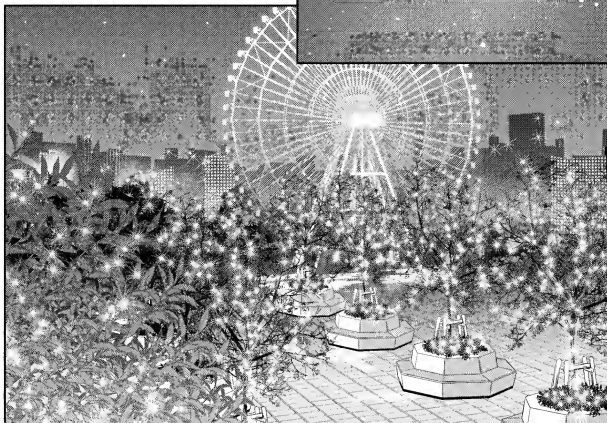

An old
man!

Yeah...

A college
student,
huh... How
old will I be
when you
graduate,
anyway?

29?!

It'll be better next time, next time.

I told you not to apologize.

Okay...!

Sorry, Hiro.

Ugh... But...!

Whoa! It's awesome!

People look like trash down there!

Sigh...

I just feel like I have to say that whenever I'm high up.

It's too dark. You can't see anyone.

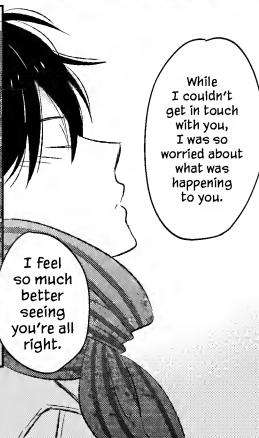

I am pretty tired of crowds, though.

I feel a lot calmer now that it's just the two of us.

While you were gone, all I could think about was the time I was all alone.

...

While I couldn't get in touch with you, I was so worried about what was happening to you.

I feel so much better seeing you're all right.

*But when I
think about
it, it all just
seems so
empty for
some reason.*

*I was just
spending
my time the
same way I
always did,
anyway.*

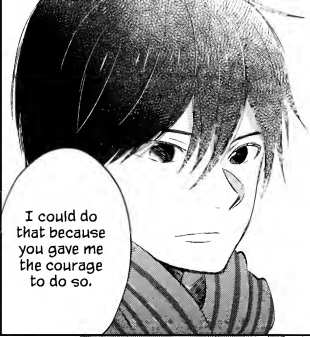

*Everyone was
separated, so
it was totally
normal for me
to be alone.*

*...that Daiki
and Hina
wouldn't
have come
home.*

*...I just
know...*

*If you
hadn't been
there...*

I could do
that because
you gave me
the courage
to do so.

That's not
true! It's
because
you worked
so hard.

...I
might be
a hoodlum
by now.

A
hood-
lum?!

I feel like
if you
weren't
around,
Hiro...

I feel like
I can never
pay you
back...

...
but I'm
always
thinking
I have to
pay you
back...

...so that
makes me
happy.

Stop
talking
about
Kukai!

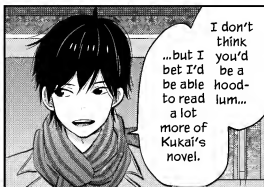

I'm a huge
Kukai fan,
though, so
I could talk
all night.

Cut it out!
Don't say
the name
Kukai again!

I'm being
serious,
too!

I'm
being
serious,
so please
stop
making
jokes.

I don't
think
you'd
be a
hood-
lum...
...but I
bet I'd
be able
to read
a lot
more of
Kukai's
novel.

I'm...

...glad that
you're Kukai-
san, though.

You're
the
worst,
Hiro.

...

Suddenly?

D-

Why do you think I got on this Ferris wheel with you in the first place?

Don't say it so suddenly! It's not fair!

Well, I don't know anything about that!

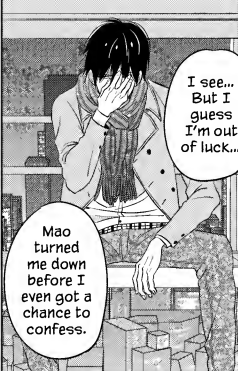

...To be kind to me ...

I'm actually being pretty strategic here.

That was
a joke,
all right?

Huh?

I see...
But I
guess
I'm out
of luck...

Mao
turned
me down
before I
even got a
chance to
confess.

...

3

SUICH

I-I-I-I love
you too, you,
know...!

...the whole
time...!

I know
I took it
back, once,
but that
was a lie!

I've loved
you ever
since I said
it the first
time...

I've been trying to hide it all this time.

Mao.

Me, too.

I finally said it.

I've been holding back for so long.

Prepare, eh?

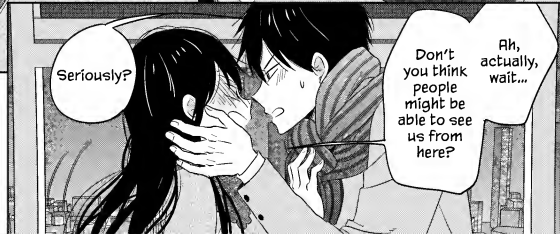

You have to let me prepare a little more!

Was it out of nowhere?

Don't kiss me out of nowhere!

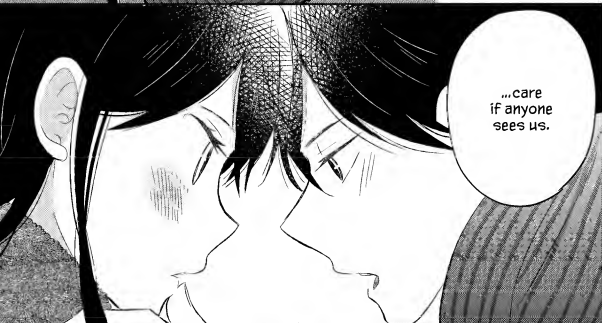

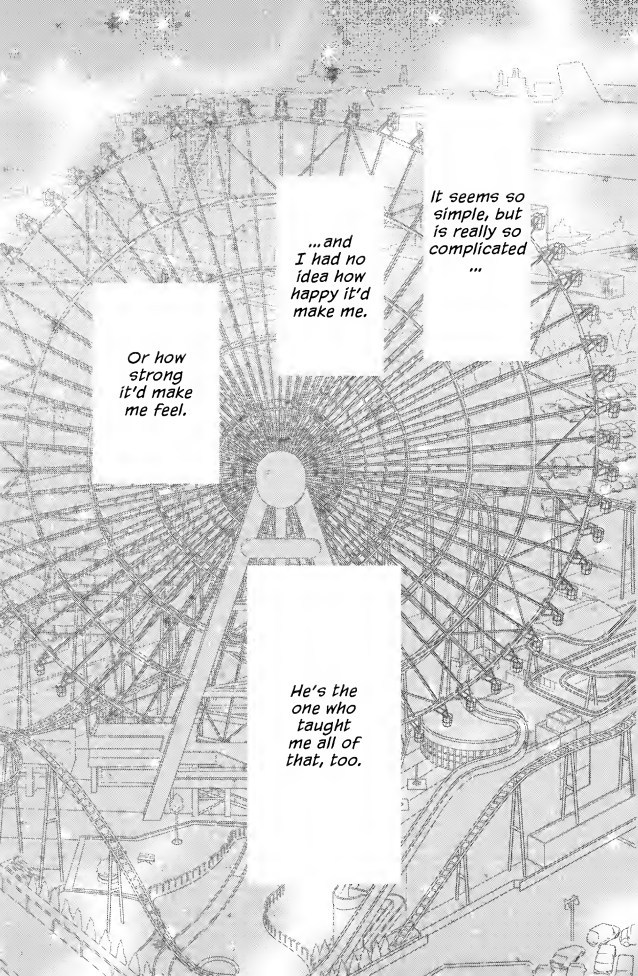

I don't...

...care
if anyone
sees us.

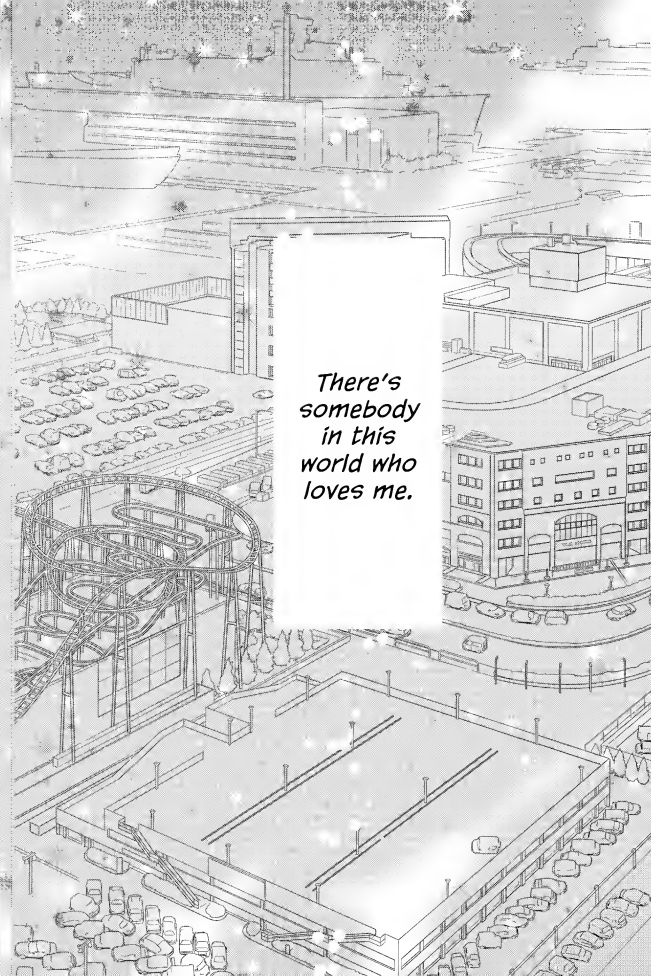

*Or how
strong
it'd make
me feel.*

*...and
I had no
idea how
happy it'd
make me.*

*It seems so
simple, but
is really so
complicated*
...

*He's the
one who
taught
me all of
that, too.*

*There's
somebody
in this
world who
loves me.*

End.

*...my
heart...*

*I've always
wondered...*

*...my
body...*

*My
hands...*

*...what are they
for, in this world?*

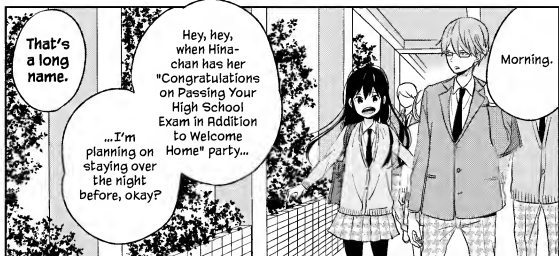

see!

Ah,
they're
here.

Don't tell
Hina-chan,
though!

I like
them!

Another
one...

Glad
to hear
that.

Pretty
sure she'll
figure it
out.

CLATTER

カ"タ

No, Hina's
scheduled
to be here
in the late
afternoon.

I'm
gonna
need his
help, so
go get
Daiki.

Is it
Hina-
chan?

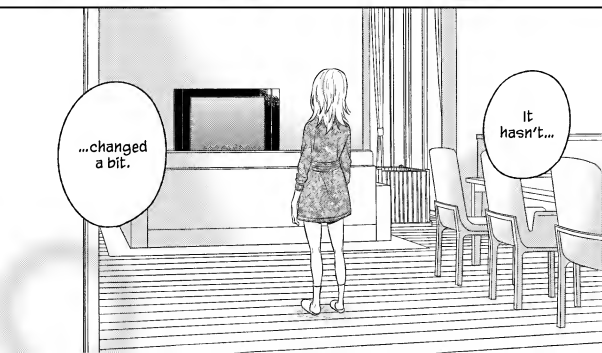

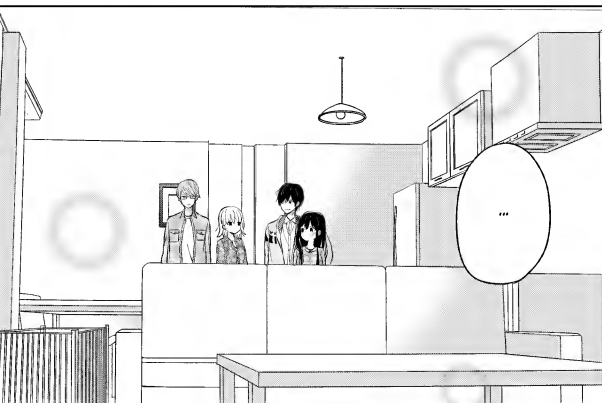

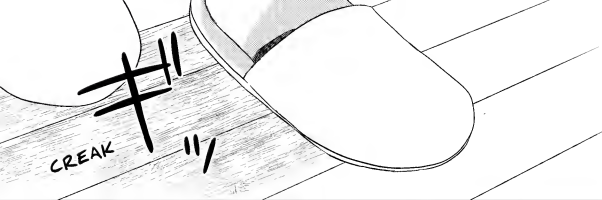

I bought
something
nice.

Help?

Thanks for
taking care
of me.

Let's go
where we
can all be
together.

All
right.

I'm not
crying.

Hiro,
don't
tell me
you're
crying?

You,
too!

No
prob.

I-I'll wait
for you
here!

...Ah.

To our
family
plot.

Go?

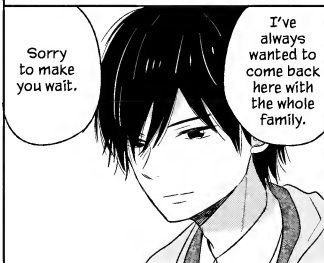

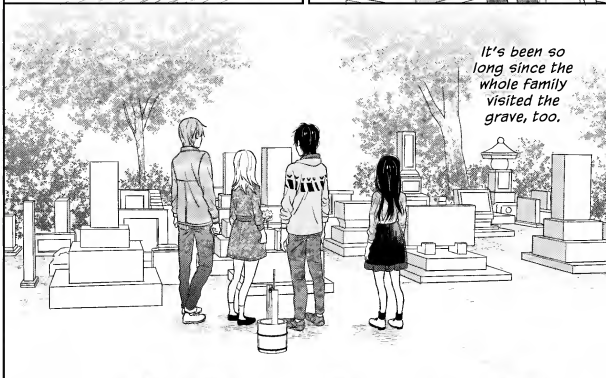

C'mon, now.
You don't
have to keep
holding back
like that.

You should
come, too,
Mao.

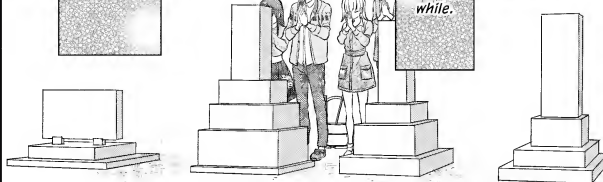

*I'm back
again for
a visit.*

*Sir and
ma'am...*

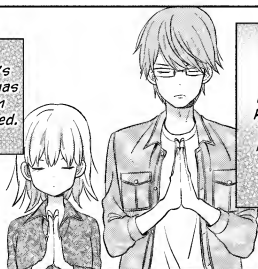

*...it's
been a
while.*

*The
Nakamura
Family is
finally all
reunited!*

*Hiro's
wish has
been
granted.*

*Today,
Daiki and
Hina-chan
are both
here, too.*

But...

*Though
I guess
since the
two of you
are only here
in spirit, I
can't really
say that.*

*I'm sure
you're both
tired of
seeing me
do nothing
but ask
him to take
care of me.*

*...I think that
Hiro's been
living his life
with all his
strength so
he wouldn't
worry the
two of you.*

*...and
I never
really knew
what I
was even
here for.*

*You see,
I've
always
felt like
I had
no real
place to
belong...*

*I've really
felt pretty
pathetic
about it,
myself.*

*But Hiro said to
me, "I want you to
be here with me."*

*He even
told me he
loves me...*

*He says it's because
of me that Daiki
and Hina-chan have
come back home...*

*...I've
become able
to feel happy
with myself.*

*...bit by
bit...*

*And
because
of Hiro...*

*...and this
heart to
protect Hiro.*

*...these
hands...*

*...I think I
want to use...*

*From
now on...*

*...and this
body...*

I have
a lot to
report
on!

You're
going
long.

And
also...!

So, please
watch over
us, and
don't worry.

That's true.

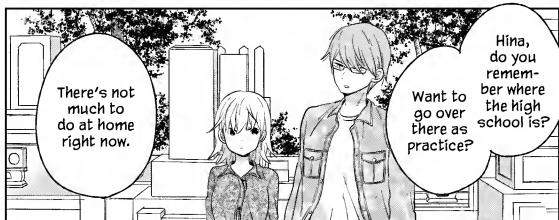

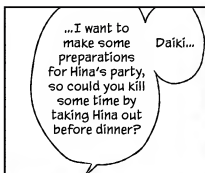

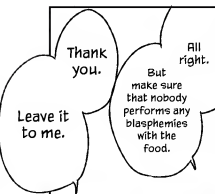

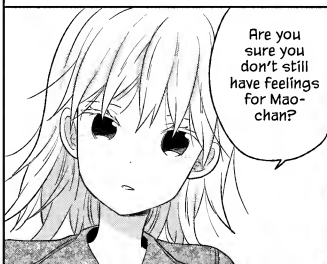

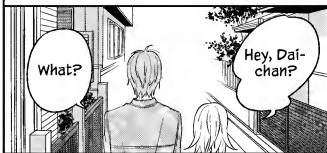

南学阿弥陀

Same.

I've got a lot, too.

Nah,
I'm good.

When I get
to high school,
I'll make a lot
of cute friends
and introduce
them to you.

...

We
should!
We went
there and
prayed all
the time.

...before
we get the
groceries,
do you want
to go to the
shrine and
give thanks?

Mao
...

Huh?!

Oh, yeah.
Do you
want to go
somewhere
during
spring
break?

*We can
flirt and
make
out all
we want.*

*I
want
to
go!*

*I still
have work,
but we
can go on
a weekend.*

*I'll be all
alone with
Hiro all
day long?*

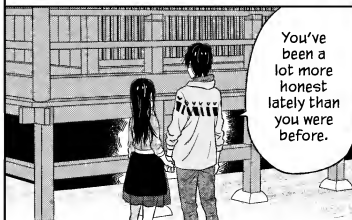

*I-I'm
just
happy,
that's all.*

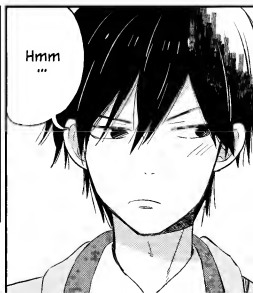

*I-I
wasn't
smirking!*

*What
are you
smirking
about?*

*You've
been a
lot more
honest
lately than
you were
before.*

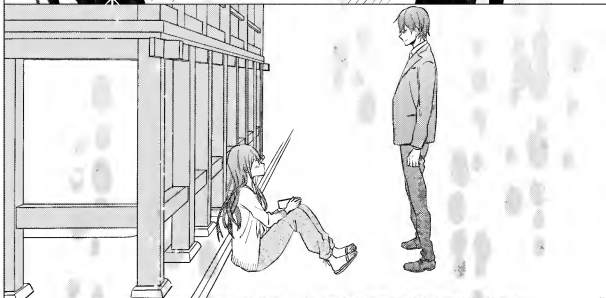

*Hmm
...*

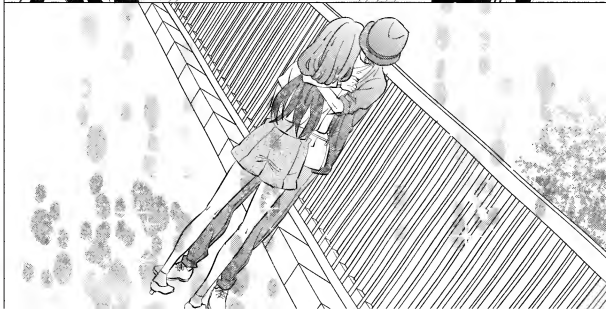

You've
always...

...been
helping me,
haven't you?

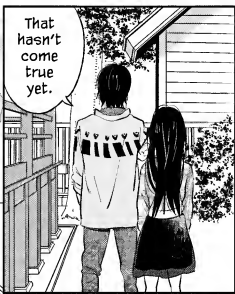

What
I really
want...

My
dream...

That
hasn't
come
true
yet.

...is
a family.

I want
you to be my
family, Mao.

Someday...

...I want
us to really
be family.

Yes!

*I just said
that same thing
to Hiro's parents,
didn't I?*

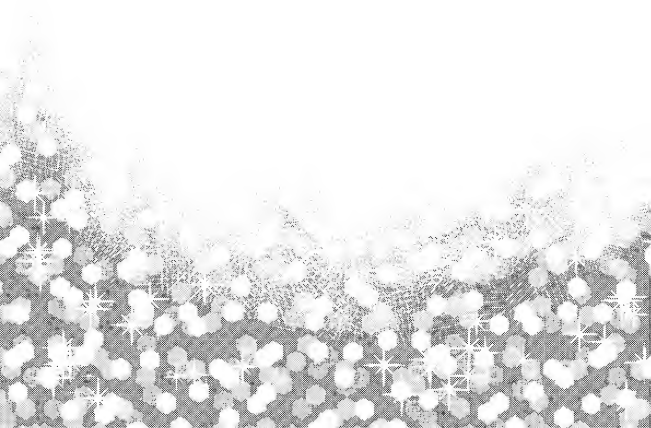

I will...

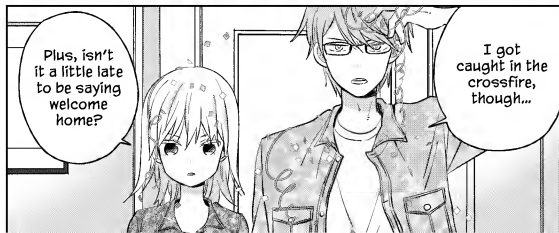

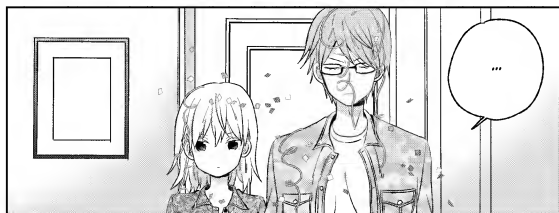

I promise...

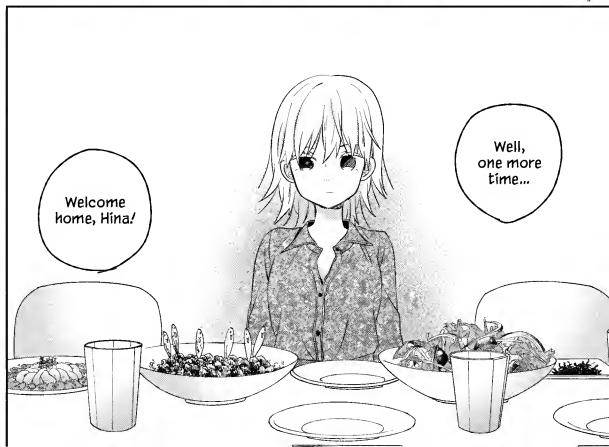

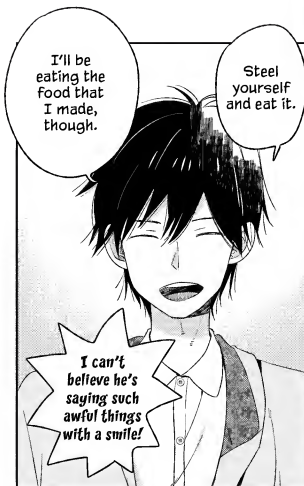

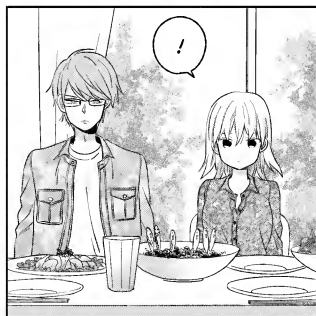

*...I'll never let
Hiro freeze.*

*...be the sun that
protects Hiro.*

**...let's say
cheers to
the new
Nakamura
family!**

the end...

would be...

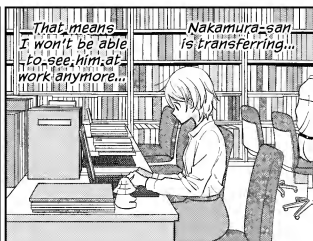

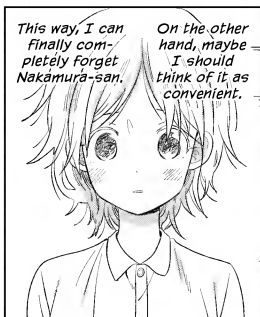

I thought
that...

...transfer?

A...

about how things
are probably going
well between him
and Kukai-san...*

*We haven't really
talked much since
I spoke to him
about the novel.*

*...it makes
me want to
avoid him a
little longer.*

RUIRUI

Are you still on about that?

18:00

RUIRUI

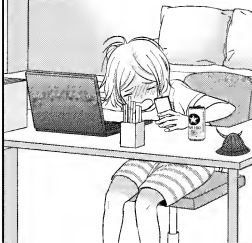

You have Ma-kun, though.

But I'm
better
than I was
before,
though...

Ughhh...
I can't
stop...

Ughh...
I want
to go on
a trip and
just blow
it all away.

I
do...

I've been wondering what kind of person she is...

I've known Ruirui-san for about four years now.

No, I can't... lol.

It's like she's always been right beside me...

RUIRUI

Let's meet at least once before we start talking about trips.

*Or maybe
she'll be a
nerdy type.*

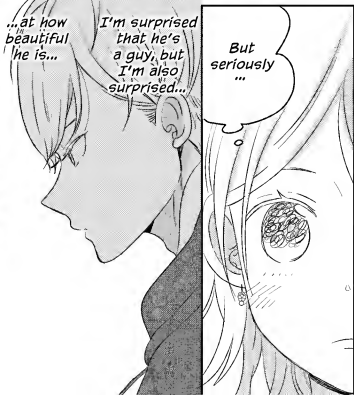

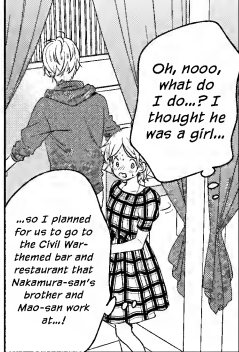

*A cool
girl?*

*Will she be
a soft type
of girl?*

*We'll know
each other from
our matching
crescent moon
headphone jack
covers.*

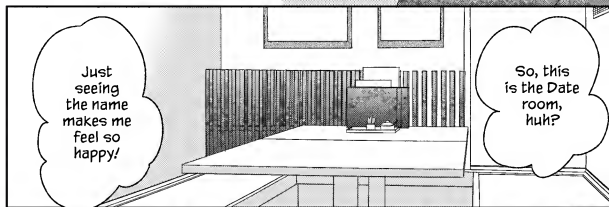

*I can't
imagine this
person saying
that Ma-kun
is a beautiful
cinnamon roll
at all!*

*As if I
could say
that...!*

I know!

Just
seeing
the name
makes me
feel so
happy!

So, this
is the Date
room,
huh?

You
really are
Ruirui-
san...

...

A
beautiful
cinnamon

Ma-
kun is...

Very cute
and sweet.

Masa/
Koju
OTP!

Are you
still
doubting
me?

Well, you
don't look
like the type
to say you
love Masa/
Koju OTP,
really.

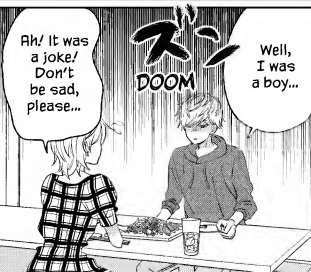

You're
just like I
thought
you'd be,
Sugimoto.

...but I
thought
you were
a girl.

You
said
it...

Ah! It was
a joke!
Don't
be sad,

You're
cute,

the risk of
coming out
here to meet
you...

Do you
know...

Huh?

You
didn't

...come
to turn
down
taking a
trip with
me?

Dummy.

...and revealing
to you that
I'm a guy?

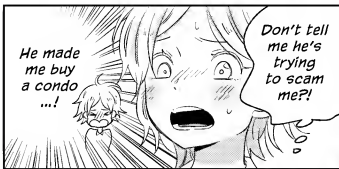

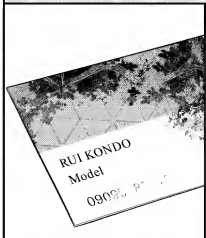

I
have...

...ever since
we met four
years ago.

It's because
I love you.

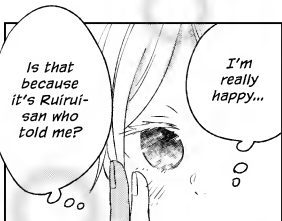

*I wonder if
Nakamura-san
felt like I was
a problem.*

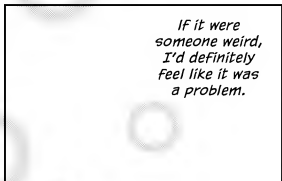

*Is that
because
it's Ruirui-
san who
told me?*

*I'm
really
happy...*

*If it were
someone weird,
I'd definitely
feel like it was
a problem.*

*Is it okay for
me to think he
couldn't have?*

*Is it okay for
me to think
he might have
been a little
bit happy?*

Thanks for
all the hard
work!

Nakamura!

Sugimoto,
you come
over, too!

It's not like
I'm leaving.

I can't
believe
we're not
gonna be
working
together
anymore.

Just come
see me on
the elevator.

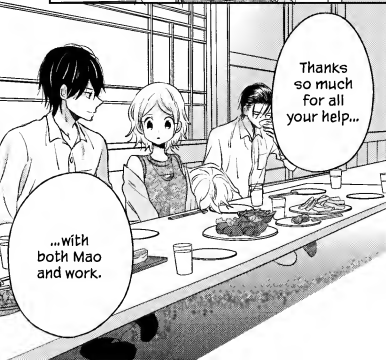

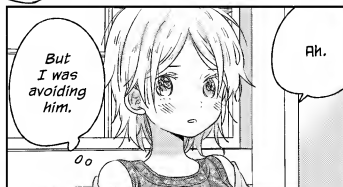

Well, for
now, let's
just keep
drinking.

It's been
a while.

Excuse
me.

Sure!

Oh—

I'm glad
I met you,
Nakamura-
san.

Farewell.

*...fell in love with
someone like him.*

*I'm glad
that I...*

*...and let me
feel such pain.*

*He let me feel
such kindness...*

*...look back
anymore.*

...I won't...

So...

SUGIMOTO

You still want to go to Sendai
with me? We can make a day trip.

so cool!

Oooh!

Let's go!

When I'm

...

Can
I...

But...

I'm
comfortable.

...I don't

anything
about myself.

...but will
my heart
feel the
same?

It makes me
happy that
he said he
loved me...

Wait a minute, I want to take a picture of Ma-kun from the back.

Ah, Rui-kun...

...

It just made me a little embarrassed.

Was that not okay?

Rui-kun...

...

First name?

What's yours, Sugimoto?

Huh?

Yes.

The same character as Princess Mego?

What an awesome name.

*Princess Mego was Date Masamune's wife.

Ai.

Let's go, Ai.

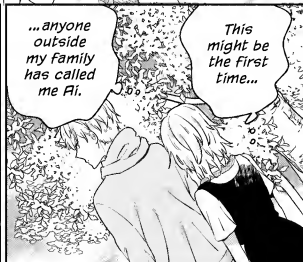

Okay.

O-

You're
bright
red, Ai.

Embarrassed?

... anyone
outside
my family
has called
me Ai.

This
might be
the first
time...

... makes me
feel like a
completely
different
person.

Just him
changing
what he
calls me...

Then I
guess
we're
even.

Yes,
I am.

I want
to chase
Nakamura
all the way
out of your
heart.

They
do.

I
thought
so.

...But
you're
so cool,
Rui-
kun.
Don't
girls
like
you?

It makes me
wonder why
you'd pick
someone like
me, then...

You never
even met
me before.

You're
very cute
and very
sweet, Ai.

Isn't
that good
enough?

...don't
even know
if I can
really fall in
love again.

And I've
only just
met you,
Rui-kun...

I...

It's been
four years,
hasn't it?

And you didn't laugh when I talked about how much I seriously love Date Masamune.

You've been listening to me for four years, right?

...I love him, too.

That's because ...

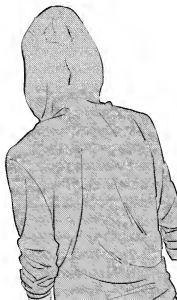

In the end, they started thinking that I was into boys, too.

When I told other people I liked BL, they treated me like a weirdo.

And then I went into this spiral of hating BL because I loved BL so much...

Even so...

That's true, but you were still like my savior.

Note: BL is fiction that focuses on male/male romantic relationships.

And I kept feeling that way.

...if you ever thought about me that way.

And at some point, I started thinking about how happy I'd be...

When you were talking about Nakamura-san, you were so sincere, Ai.

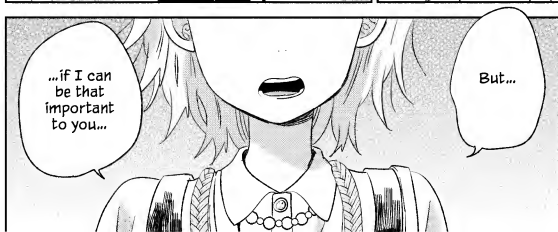

At first, I thought you were wonderful like that, but I was jealous.

...think I'm still...

...afraid of being hurt, and that I might want to go slowly.

I...

...if I can be that important to you...

But...

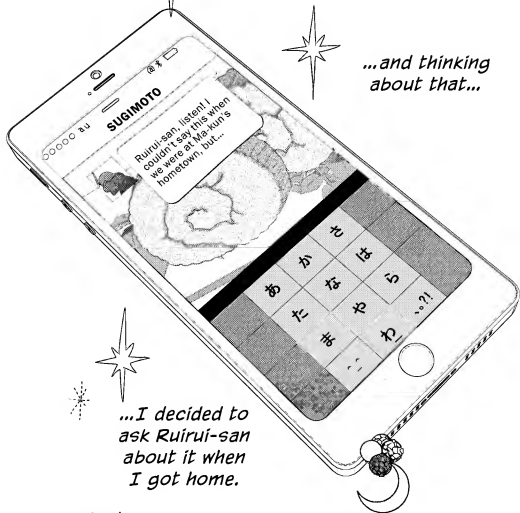

...the moment...

That was...

*...that I realized
I had already
fallen in love.*

*I want to
know the joy
of falling
in new love
together...*

*...and thinking
about that...*

*...I decided to
ask Ruirui-san
about it when
I got home.*

*...Just
kidding.*

you!

Welcome
Home

Later!

**Nakamura-
saan!**

You're
so tall,
Nakamura-
san. How
tall are
you?

Sure.

So, this
is where
you live!
I live
here,
too!

Let's
go home
together!

I heard
your
brother's
super tall,
too. And
I heard
he's hot.

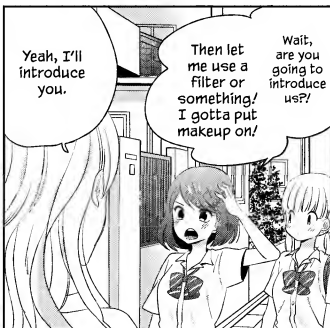

I see...
You're
taller
than the
boys.

I haven't
measured
myself in
a while, so
I don't
know.

I've
probably
grown
again...
My joints
have been
aching.

Huh?!

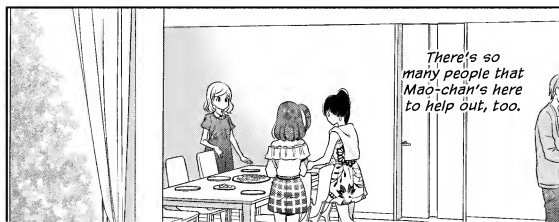

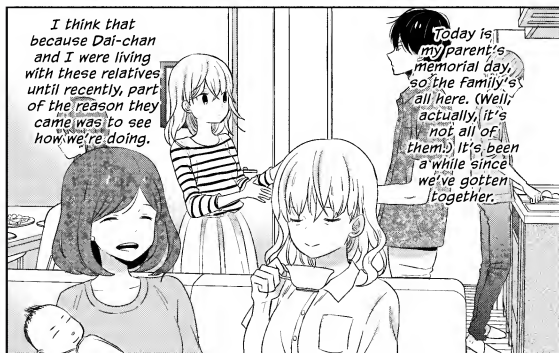

*He's been
in one-
sided
love for
so long.*

Oh! Hina-
chan, you've
grown!

*And I know
there's no
way he'll ever
be with her.*

*As far as
I know, it's
been that
way ever
since we
were little
kids.*

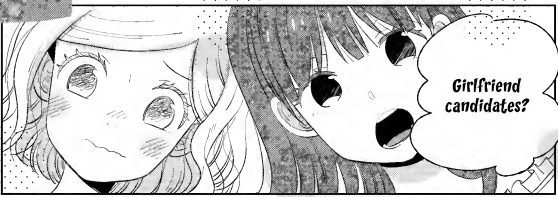

And she's gotten prettier, too.

I wonder what Dai-chan thinks about that...

Ever since she and Hiro started dating...

...I feel like her habits and expressions are becoming a lot more like Hiro's.

Girlfriend candidates?

...

Yeah.

I'm looking for a girlfriend for Dai-chan.

Not necessarily ...

Do we have to pick one from this list?

Ooh, that sounds fun!

CLATTER

ガキン!

Dai-chan,
which one of
these
girls do
you want
to date?

Lemme
see...

I don't
really wanna
pick, but
there really
are a lot of
cute girls
around
here...

Yeah, but
none of
them really
suit Dai-
chan, don't
ya think?

She's
cute, but
she looks
like a
bitch.

I like the
girl next
to her.
She looks
determined!

If you're
serious,
you're on.

How
about
going
out with
me,
then?

He
got
mad!

Okay!
I already
have a
boyfriend,
though.

Don't be
a cheater.

Give
me a
break.

Stop doing
ridiculous
things.

Oh,
really?

Oh, Mao-
chan, um—

What're
you
talking
about?

It has
nothing
to do
with you,
anyway.

Nothing.

Hina-
chan's
so cute,
she'll be
fine.

DOOM

Forget Dai-
chan, you
should find
a boyfriend
soon, Hina!

If you get
any taller,
no one's
gonna
like you.

Ummm,
well...

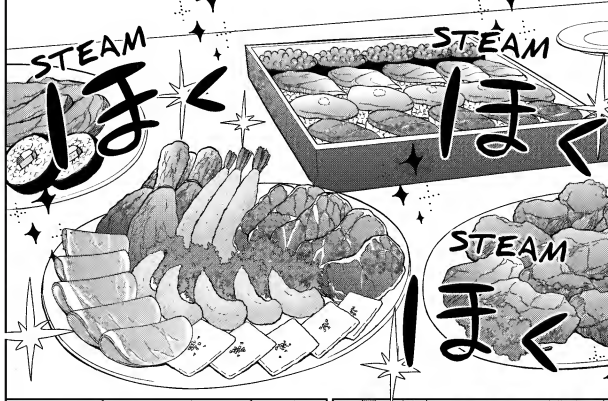

Huh?

Yeah,
but boys
are so
sensitive
...

Oh, what
about you,
Mao? Do
you have a
boyfriend?

Dai-chan basically did our whole job for us!

We just served the food. It was actually all Hiro-kun and Dai-chan.

Did you and Kokoa really make this? Mama is so proud!

This is delicious!

But, you know...

You flatter me.

Wooow! When I took you up on your offer of letting us take a break today, I felt a little bad, but now I'm glad I did!

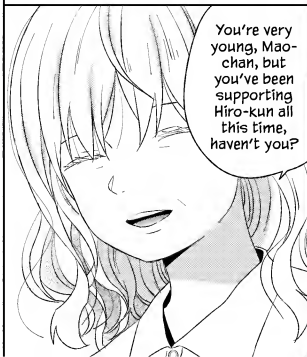

Thank you.

If the two of you hadn't come home, none of this would be possible...

Hiro-kun, you'd be such a good dad. Why not think about marrying sooner or later?

While you're still young.

You're very young, Mao-chan, but you've been supporting Hiro-kun all this time, haven't you?

Ah, that's right.

C'mon, sis, Mao-chan is still a high schooler.

Well, it's obvious you support each other, then!

How long have you been together?

Auntie!

Whaaaat?!
No, not at all!

It's the other way around!

Croquette and I will be holding down the fort...!

Well, if you will excuse me, I'm going to the restroom...!

Will you be letting them know at the gravesite visit?

Or have you already?

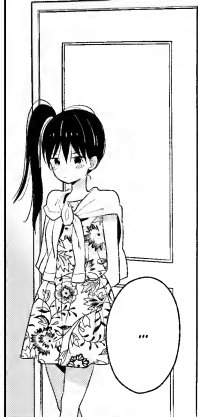

I-I'm not going...

Go
on in.

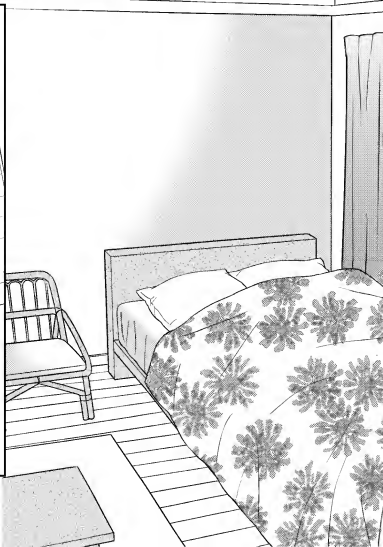

...Mao-
chan?

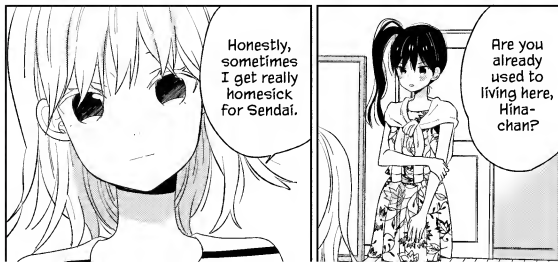

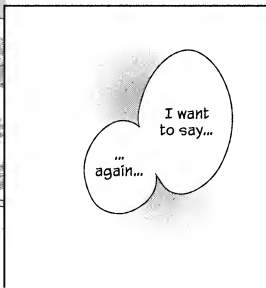

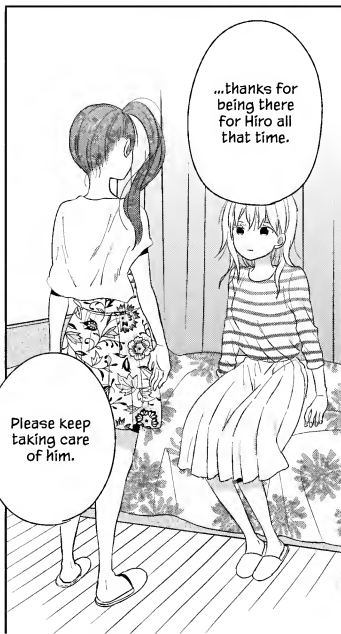

...

...because
most
of the
memories
I have of
this place
are sad.

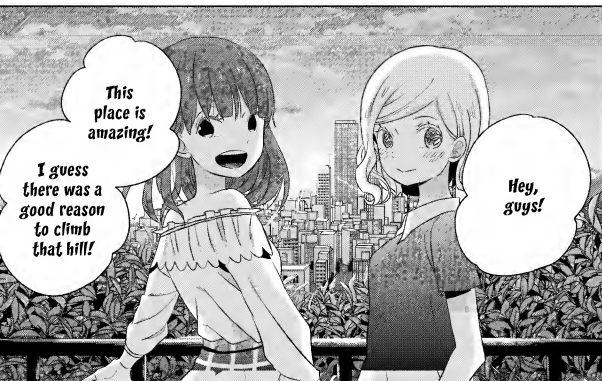

I think
the reason
that I
some-
times feel
homesick
for
Sendai...

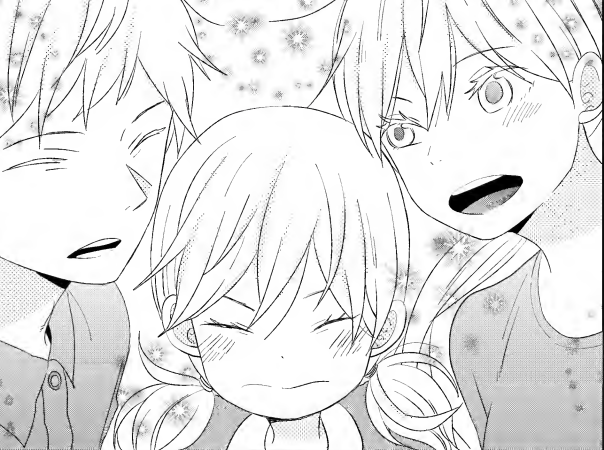

It makes things even harder for me if he doesn't move forward, either.

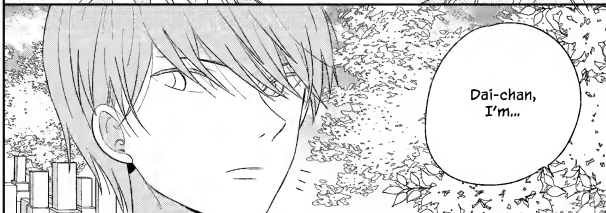

...Dai-chan plans on feeling the same way?

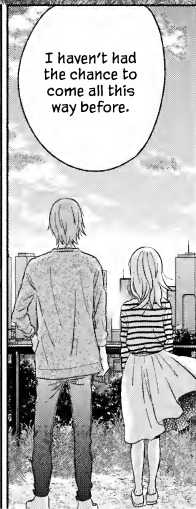

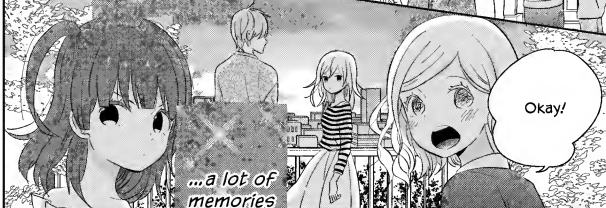

We're going home!

I want to make...

But we're gonna go get yakiniku on the way!

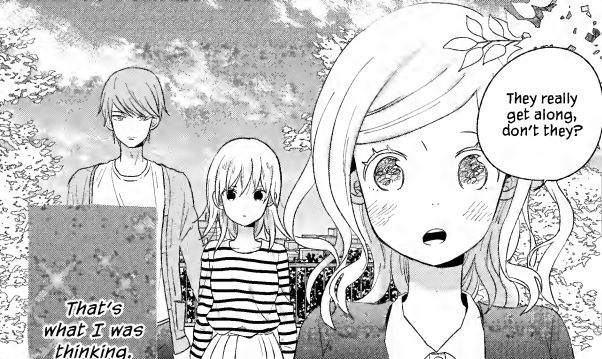

What are you all doing over there?

Okay!

...a lot of memories here.

They really
get along,
don't they?

*That's
what I was
thinking.*

GASP

I'm glad

two of them

Oh,
yeah?

You sure
love your
brother.

That's
not it.

It's taken
me a lot of
hard work
to get to
this point.

Was it?

Dai-chan,
that was
surpris-
ingly
nice, for
you!

I probably
support them
more than
anyone else
in the world.

Dai-chan!

find a boyfriend
or girlfriend the
fastest before the
next memorial day!

Welcome

HOUSE of the SUN

Liar X Liar
Taamo X Renjuro Kindaichi

A-ah,
I see.

Oh,
but, our
relationship
is very
chaste.

Don't
tell me
Motomiya-
san actually
knows
something...

Wait,
could
she...?!

Don't tell
me she heard
I pretend
to be a high
school girl
somewhere?!

Ah, um...
This is
the guy
I like.

Motomiya-
san totally
thinks I'm
a complete
weirdo now!

...I have
to make
sure to
think that.

She's an
innocent
person...

Wait,
what?!

??

Well, then,
if he's that
young, you
probably
didn't realize
he was
married.

Ooh,
he's hot.

Hello and
good day!

▲ EXTRA CHAPTER ▲ A Boy and a Girl

What's
with the
formality?

...

Hm?

Where
are Daiki
and Hina-
chan?

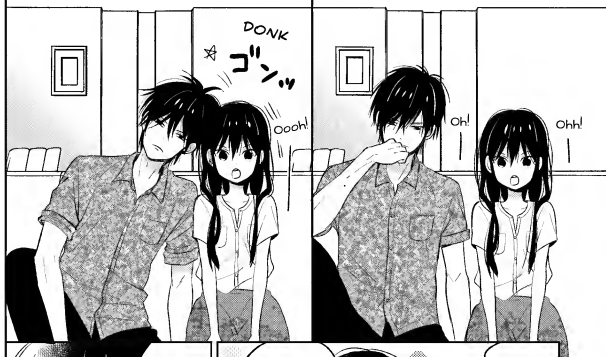

No
reason,
huh?

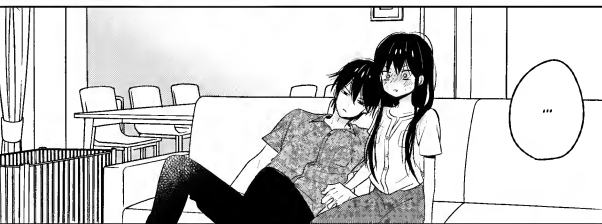

Come
in.

No
reason.

You're making me feel weird, so scoot over.

H-Hiro ...

Weird...?

the end

Thank you so much for reading!

The reason that I was able to keep drawing this all the way to the end is because of all of you reading the comic.

I thought about ending this comic with a wedding ceremony, but I wanted to make sure to leave everyone with the impression of a teenaged Mao in their memories! And that's how I drew the end.

This project really taught me a lot, and I plan to use those skills to the fullest when I create my next project.

Well, then...

See you later.
